HERE'S HOW IT WORKS!!

EVERY SINGLE MONTH of the school year (AUGUST THROUGH MAY), we will issue your school a new batch of Visitor Badges (*SEE SAMPLE ABOVE*). Your school will simply destroy any "prior" month's batch of Visitor Badges and start using the "new" month's supply of Visitor Badges or all at once. Also, Keys will provide:

- CUSTOMIZED Visitor Badges with the district's logo,
- badge holders with clips,
- A VISITORS log,
- POSTERS which explain School Badge Security Program, and
- SELF-ADHESIVE REMOVABLE STICKERS THAT EXPIRE IN SPECIFIC TIME INTERVALS (*1/2 day, ONE day, ONE WEEK, ONE MONTH*) by TURNING RED.

WHAT YOU ACTUALLY RECEIVE:

- 2000 Visitor Badges [200 per month for 10 months] (*please provide logo to be placed on Badge*),
- 2000 Self-adhesive Time-Interval removable stickers (*specify time interval desire*),
- 100 badge holders with holder,
- One Visitor Log,
- Four Posters 11 x 17 directing VISITORS to sign-in location & program policies. (*Please inform us if a custom location to be placed on poster*).
