

Australian School Violence Prevention

CONFERENCE AND WORKSHOP

Lilydale, Melbourne Vic. Australia: Nov. 30 – Dec. 4, 2005

Present by: *Keys To Safer Schools.com & Keys-Australia*

No place should be safer than our schools...
but are they as safe as they could be?

This conference and workshop will address these identified needs. Three areas of violence in schools will be addressed in separate workshops:

- **Bullying Stops When Respect Begins:** *Train-the-Trainer:* [Learn more](#)
- **Assessing the Potentially Dangerous Student:** *Train-the-Trainer:* [Learn more](#)
- **Terrorism and What Schools can do:** [Learn more](#)

Kevin Dickson has served in the Australian Federal Police and has over 15 years of Police Officer Survival training experience. He has performed close protection/security duties for 3 Prime Ministers, several Ambassadors and Heads of State, Mr. William GATES and family and others. Kevin designed and delivered training in relation to understanding the psychology of targeted violence and the characteristics of violent individuals using US Secret Service threat assessment methodologies. He has delivered this program to a wide range of audiences from school teachers to corporate executives.

He has extensive knowledge of suicide bombing methodologies and interdiction strategies having provided instructional training to several police agencies and Airlines. He has also provided security/safety risk assessment using both traditional and Red Team methodologies.

Mike Nelson, Mental Health Therapist, Nationally Certified Counselor, Director for Keys'. An Internationally sought-after speaker who has been featured on numerous talk shows, radio shows, and in video Documents out of Japan dealing with School Violence Prevention.

He has worked with those who have lost love ones to school shootings, Administrators and Law Enforcement involved in School Shootings. Helping to rebuild and prevent future incidents.

Herald Sun
18 APR 2005
KIDS RUN WILD
Alarm grows at school attacks

Teachers and classroom aides have been **punched**, bashed with metal cans, kicked, spat at and threatened with knives, metal stakes and replica guns. Others have been injured by chairs, rocks and computers thrown by angry **students**; some have received written death threats. The Herald Sun has catalogued dozens of frightening **student attacks** on government and private school teachers over the past 12 months.

BULLY BILL: \$5 mil compo for hundreds of students - School violence costs us \$1.5 million [\[Read Article\]](#)

The article sited two significant items:

1. Schoolyard fights and **bullies** have cost taxpayers almost \$1.5 million in compensation over the past two years (in Australia).
2. Payouts of up to \$250,000 have gone to 31 **students** or other victims in Victorian government schools.
